Purpose

The Métis Cultural Development Fund (MCDF) supports community-based cultural activities and initiatives that preserve, strengthen and transmit Métis culture and traditions.

The MCDF program objectives are to:

- mentor and build cultural leadership skills in Métis Communities;
- increase employment opportunities for Saskatchewan-based Métis arts and heritage resource peoples;
- support engagement in Métis cultural activity at the individual, group, and community level;

- benefit children through skills development, mentorship, and having fun; and
- encourage gathering, sharing, learning, celebrating and developing Métis culture in Métis communities aimed at building long-term cultural awareness, retention and pride.

Priority will be given to projects that:

- provide significant opportunities to meet the purpose of the MCDF grant;
- deliver relevant cultural activities based on cultural impact, accessibility and service to communities;
- have significant youth involvement and/or contribute significantly to participation in intergenerational cultural activity;
- demonstrate strong partnerships and community support;
- take place in the province's northern and/or rural or otherwise underserved communities; and
- are supported by clear project plans and budget detail.

If you are unsure whether your project fits the objectives of this grant program, please contact the consultant, or see a list of successful applicants and project descriptions on the [MCDF webpage](#), under '[Related Content - Previous Grant Recipients](#)'.

Project Eligibility

Project Eligibility Criteria

- Projects must directly address the purpose and priorities of this funding program.
- Projects must include trauma-informed approaches that will be taken to ensure no further harm is done.
- All funds are to be used for the benefit of Métis cultural development in Saskatchewan and for residents in Saskatchewan.

- Applicants can access only one MCDF grant at a time.
 - If the applicant already has a current open MCDF grant wrapping up during the time of application or an incomplete/overdue Follow-up Report (FUR) for any SaskCulture grant, a new application will be accepted for consideration, but if approved, payment will not be made until the open grants are completed. Contact SaskCulture for options.
- Applicants **may not** apply to multiple SaskCulture funding programs to support the same activity for the same time frame.
- **START DATE:** Eligible start dates for this round must be eight (8) weeks after the grant deadline, which means they cannot start earlier than June 25, 2025.
- **END DATE:** All projects must be completed within one (1) year of the start date; however, if your plans need to change, please contact the Consultant as soon as possible.

Eligible Expenses ---

The MCDF grant can cover direct costs to the development and delivery of a cultural project. When submitting a proposal, please ensure that only Eligible Expenses are included.

The **maximum request amount is \$10,000** towards eligible project expenses.

In-kind contributions are not eligible expenses. Contact the Consultant if there is any uncertainty on what is eligible and ineligible.

Eligible expenses for the MCDF grant include:

- wages, honorarium and contract agreements for Métis cultural resource people who are offering their skills and expertise for the term of the project. This does not replace wages for the core job responsibilities of existing staff;
- travel expenses for program participants. This includes gas, rental of vehicles, bus transit and airfare. While the primary cultural activities must take place in Saskatchewan, travel outside of the province is eligible if it is to bring resource peoples in locally to conduct work;
- material expenses, including cultural protocol, related to the cultural activity;
- facility costs would only be considered eligible in situations where additional space is required for the project to move ahead. The existing space/facility of an applicant organization is not eligible and would be considered as an in-kind contribution - i.e. rent, utilities and office overhead;
- a recommended maximum of 20% of the total grant award can support food expenses that are a part of the cultural experience that is being offered for participants. A strong rationale would need to be provided to exceed this amount; and
- a recommended maximum of 10% of the total grant request can be utilized for advertising and promotion cost for the project. A strong rationale would need to be provided to exceed this amount.

All expenses must fall within the indicated start and end date of the project. Expenses incurred before or after the project period will not be eligible.

Ineligible Expenses

The following items are ineligible for MCDF funds:

- Capital expenses such as construction, renovations or repairs;
- Cash prizes, gifts, or the purchase of alcohol;
- Activity that exclusively promotes definable religious or political viewpoints;

- Office and administration fees including utilities, rent and/or rental of an applicant organization facilities; and
- In-kind contributions.

Application Process

Applications are due April 30, 2025. Late applications will not be considered for funding.

Generally, applications are expected to be submitted via the Online Grant Platform (OGP) unless accessibility arrangements have been made.

Once an application is submitted:

- Applicants are encouraged to consult with SaskCulture prior to submitting an application. Depending on the number of applications received, there may be opportunities for early submissions to get feedback to help improve aspects of an application that are unclear or ineligible in advance of a deadline, but this is not a guarantee of either feedback or funding.
- SaskCulture will review applications to confirm basic eligibility requirements have been met prior to submitting all grants to the funding assessors. **If a submission is ineligible, the applicant will be notified.**
- Eligible applications are evaluated by assessors who are Métis and have credible knowledge and experience that relates to the purpose and priority of this funding program.
- Applicants can expect to be informed of funding results within eight (8) weeks of the application deadline. Funding decisions are final and will not be revisited or appealed.
- Successful applicants receive 100% of their grant award upon grant approval and the recipient is required to submit a completed follow-up report at the end of their project.
- Successful applicants will be notified of the funding obligations required for the project in their funding award letter.

Application Assessment

The funding adjudicators will assess applications based on the following criteria:

- The extent the project addresses the objectives and priorities of the MCDF grant program;
- The quality and clarity of the application;
- The extent of accessibility for Métis populations;

- The resourcefulness of the applicant, including strong partnerships (when applicable) and leveraging other resources; and
- The quality of the budget and a realistic and responsible use of resources.
- Returning or otherwise annual projects funded by SaskCulture will have their most recent project follow-up report provided to assessors as part of the assessment process.

The quality of writing and attention to detail in a grant application may benefit an applicant's chances of success. However, we understand not everyone who is applying for funding is a professional grant writer or that English may not be the primary language of the person applying. Please contact the Consultant to discuss options to help you with your proposal.
